Simply Brilliant

**CUBE Door/Window Sensor** Model. LS058WH

Setting up your LifeSmart CUBE Door / Window Sensor

User Guide V 1.0

## CUBE Door/Window Sensor

- ① Magnet
- ② Click Sensor
- ③ Battery Cover

## PRODUCT INTRODUCTION

The LifeSmart's CUBE Door/Window Sensor can send a notification through your LifeSmart App when the door/window is detected open. It can also be used to trigger events with other smart devices, like making a snapshot with your Smart Home Wi-Fi Camera of whoever enters your house. The device is equipped with vibration sensor. If someone try to break in, you can get notified instantly. It is also a CUBE Clicker. One simple click can trigger a series actions of the smart devices. With the help of LifeSmart Cloud services and other amazing technologies, every single home will become a smart home, every single office will become a smart office. LifeSmart, Simply Brilliant.

## WARRANTY DESCRIPTION

Thank you for purchasing this LifeSmart product. In order to protect your rights, please read the following content carefully: The warranty period of our company's products is one year from the date of purchase or longer if local laws impose a longer minimum term, in which case the minimum term is the warranty period. During the warranty period, any faults caused by the product itself or for quality problems that arise under normal usage, LifeSmart will provide a free replacement.

## ATTENTION

The following conditions are not covered by the warranty:

- Product failure or damage caused by installation, use, and maintenance that is not in accordance with the product instructions;
- Products beyond the warranty period;
- Products that have the barcode tampered with or removed;
- Devices that have been tampered with or customized outside of LifeSmart Terms Of Service as on the LifeSmart App and website;

## ATTENTION

- User-caused damage, such as inappropriate voltage input, high temperature, accidental spillage, physical damage, etc;
- Product failure or damage caused by force majeure such as earthquakes, fires, or floods;
- Product failure or damage caused by other problems except the product itself.

## DECLARATION

### FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference.
- 2) This device must accept any interference received, including interference that may cause undesired operation.

**NOTE:** The grantee is not responsible for any changes or modifications not expressly approved by the party responsible for compliance. Such modifications could void the user's authority to operate the equipment.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

## DECLARATION

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- 1) Reorient or relocate the receiving antenna.
- 2) Increase the separation between the equipment and receiver.
- 3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- 4) Consult the dealer or an experienced radio/TV technician for help.

## DECLARATION

### RF EXPOSURE STATEMENT

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body.

### DECLARATION OF CONFORMITY

Hereby, LifeSmart declares that the radio equipment type Cololight is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: <http://global.ilifsmart.com/ce/docs/>

**Notice: This device may be used in each member state in EU**
