LifeSmart

Nature Switch

INSTRUCTION

LifeSmart's Nature Switch (Scene Panel) adopts Touch Pro technology and brings ultimate touch experience for lighting. It is also designed with DIY colorful LED indicator, you can turn on the light easily in the dark. The cover adopts tempered glass with oleophobic coating, which is wear resistant and easy for cleaning & maintenance.

Nature Switch (Scene Panel) supports two-way communication and mobile control. You can manage it through our App whenever and wherever. It can be paired with other smart devices to trigger Smart Scenes like light on when you come home and lights out when you leave the house.

NOTE: The number of output lines varies according to different smart control accessories, please refer to the actual product. It is recommended that the installation height does not exceed 2 meters.

WARNING: The installation involves high voltage and should be done by a professional electrician.

INSTALLATION

① Cut off the electrical power supply and make sure the wiring is not charged.

② Take out the smart control accessory and install it according to the wiring instruction, make sure all the wires are placed firmly.

③ Place the wires in the cassette orderly, and fix the smart control accessory to the cassette with fixing screws.

④ Take out the switch panel and fix it to smart control accessory, make sure that the upper and lower two buckles are in place, otherwise it may not be able to be used normally due to poor contact.

⑤ Restore the power supply, the device will turns on automatically.

⑥ After configuration of the Smart Station, choose "**Add Device**" in LifeSmart App, select "**Nature Switch**" or "**Nature Switch Scene Panel**" to enter pairing process. Follow the instruction on the app to finish pairing.

WARRANTY DESCRIPTION

Thank you for purchasing this LifeSmart product. In order to protect your rights, please read the following content carefully: The warranty period of our company's products is one year from the date of purchase or longer if local laws impose a longer minimum term, in which case the minimum term is the warranty period. During the warranty period, any faults caused by the product itself or for quality problems that arise under normal usage, LifeSmart will provide a free replacement.
